ASO AC (Address Council)

aka NRO Number Council

ASO: A response to creation of ICANN (1998)

- RIR system and Numbers communities predate ICANN
- To connect ICANN to the already existing and fully functional system of global policy making on Numbers
- To reflect Numbers communities views and make sure our mechanisms kept intact

First MoU signed in 1999 with existing RIRs

Current MoU is from 2004 following establishment of NRO

ASO AC (Address Council)

Scope

- Reviewing global policy development process
- Defining procedures for the selection of individuals to serve on other ICANN bodies and selecting ICANN Board seats 9 and 10.
- Providing advice to the ICANN Board on number resource allocation policy

Structure

- 15 Members [3 From Each Region]
- 2 Elected at Large
- 1 Appointed by RIR Board

Term in RIPE

- Two years for elected members
- One year for appointed member
