RIPE Meeting Principles

- Open to everyone
- Bringing people together from different:
 - Backgrounds, cultures, nationalities, beliefs and genders
- The RIPE community is a safe, supportive and respectful environment

RIPE Meeting Code of Conduct (CoC)

For over a quarter of a century, the RIPE community's strength comes from its breadth of experience, diversity of views, and an open, respectful exchange of ideas – values that we want all of our RIPE Meeting attendees to uphold.

Please treat each other with tolerance and respect. Free speech and an open exchange of ideas are encouraged and celebrated. Demeaning, intimidating or harming anyone at the meeting is wrong. We are especially sensitive to behaviour that offends based on gender, sexual orientation, religion, race or ethnic origin, or other perceived social, cultural, or personal differences.

RIPE Meeting Trusted Contacts

- Please report violations of the CoC to our Trusted Contacts
- Approach Nick or Mirjam in person or email **trustedcontacts@ripe.net**
- We are pleased to announce that Rob Evans will become a Trusted Contact as of RIPE 75

Increasing RIPE Meeting Diversity

- They participated in a workshop with diversity experts yesterday
- **There is a diversity-focused plenary session on Friday at 9:00-10:30 in the Main Room**
- We encourage you all to bring your ideas, questions and comments about how we can make RIPE Meetings more diverse and inclusive
